SPPI 14 LEA Reports

Shared by Student-Centered Transitions Network (SCTN) contact for each region with LEA special education directors and transition and employment designees (TEDs)

Masked reports for LEAs with fewer than five completed surveys

New this year:

- Combined LEA results over **2 years**

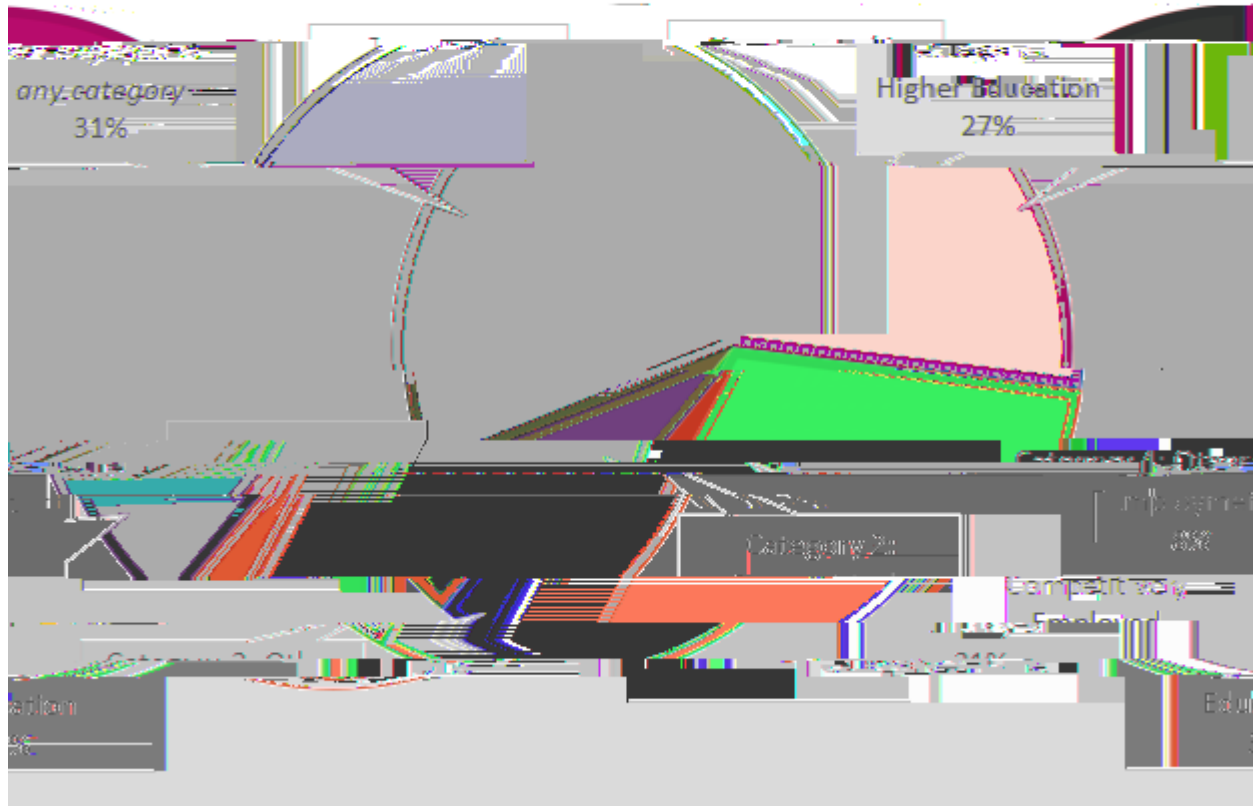

- Combined results with member districts in a **Shared Service Arrangement (SSA)**

If either method results in meeting the threshold of five completed surveys, the LEA will receive an unmasked report

SPPI 14: Highlighted Results

PERCENTAGE OF RESPONDENTS

34,796 students invited to complete the survey
8,300 completed surveys
23.9% response rate

Next Steps

Watch for Texas report to be posted to Texas Transition website:
www.texastransition.org

Watch for email from SCTN contact to special education director (as listed in AskTED). LEA data is considered confidential.

Review the SPPI 14 videos to learn more about the survey and reports.
