Tarleton State University Consumer Information TEC §21.52(b)

Standard

2014-2015

- 17. Average GPA on all college or university coursework that candidates took before entering the program as reported by the educator preparation program. The statewide average is the average of program averages.
- 18. The average GPA candidates earned on content courses in the certification field as reported by the educator preparation program. The statewide average is the average of program averages.
- 19. The average of candidate GPAs that programs reported using to make admission determinations reported by the educator preparation program. The incoming class GPA will differ from the statewide average if programs may admit candidates on the strength of their last 60 hours of coursework rather than on their overall academic record (TEC §21.0441(a)(1)(B)).
- 20. Data is reported by the educator preparation program. Programs do not report these data if the assessment is not used for admission. The statewide average is the average of program averages.
- 21. Percentage of Principal Survey respondents who reported they were well prepared or sufficiently prepared with the requisite skills. The statewide average is the percentage of all candidates who reported they were well prepared or sufficiently prepared with the requisite skills.
- 22. Reporting candidate/supervisor ratios by semester was required by HB 2205, effective September 1, 2015. Data will not be reported until 2018.
- 23. For all tests that the program approved, the percentage of test attempts that the candidates passed between September 1, 2015 and August 31, 2016. The statewide result is the percentage of all test attempts that the candidates passed.
