

2017 2018 Continuing Ap

Introd

A 5-

observation data for candidates in clinical teaching until the fall of 2018. All five (5) candidates in the post-bac program had not started clinical teaching at the time documents were submitted to TEA for review. Three (3) post-bac candidates completed clinical teaching in the fall of 2018 copies of observations were not required to be provided for review. Observation data was
