

A couple of options are provided to help with potentially adding bonus points for AEA campuses and districts.

Distribution of AEA campuses/districts for the percent of prior-year EOC failers who took EOC in current year and met the Approaches GL standard

Distribution of AEA campuses/districts for the percent of annual graduates with RHSP/DAP or FHSP-E/FHSP-DLA.

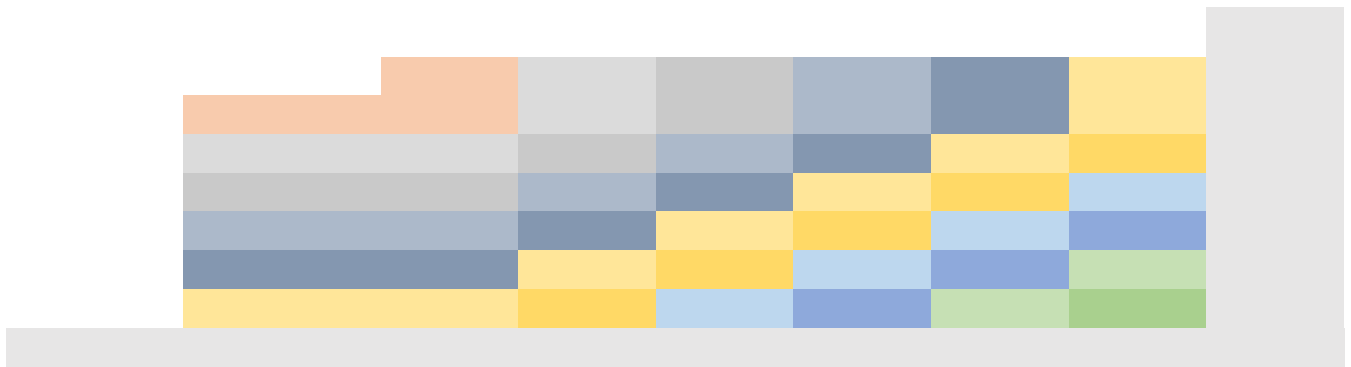

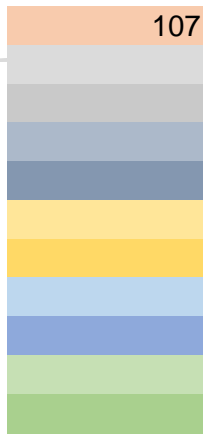

An example of bonus points for two of the options above applied to 2018 data.

An example of the change in grades for AEA campuses, if the above 6 28.08 reWB/Tis26(if t)g61T3.36DC
